Dear Sir/Madam

20/21 FISHING RIGHTS ALLOCATION PROCESS CONSULTATIVE PROCESS

The Department of Forestry, Fisheries, and the Environment; Branch: Fisheries Management ("the Department") has embarked on a process of allocating fishing rights in the Demersal Shark, Hake Deep-Sea Trawl, Hake Longline, Kwazulu-Natal Crustacean, Small Pelagic, South Coast Rock Lobster, Squid, Traditional Linefish and Tune Pole-Line fishing sectors. The current fishing rights in these sectors will expire on 31 December 2021 and will revert to the State for re-allocation in terms of Section 18(6) of the Marine Living Resources Act, 1998 (Act no 18 of 1998) as amended ("the MLRA").

For any rights allocation process, the Department must review its fishing rights allocation policies in order to allocate fishing rights once current rights have expired. The Department has therefore identified several places and venues where these consultations will take place. See **Annexure A** attached hereto for more information.

Teams will be visible in your areas from 13 to 21 October 2021. The Department will be grateful if you could give them your full support. For all FRAP enquiries, the FRAP Call Centre number is **021 402 3727 (FRAP)**. Furthermore, an independent toll-free FRAP Hotline has been established and available 24/7 for the purposes of reporting unethical behaviour, theft, fraud, or related activities. The FRAP Fraud Hotline number is **0800 203 589**.

We trust that we can count on your cooperation in this regard.

Yours sincerely

Ms Nomfundo Tshabalala
Director-General
